BLOOM, United States Magistrate Judge:

By letter dated January 25, 2010, defendants inform the Court that the parties have reached an agreement to settle this case, and that they expect to file a joint stipulation of settlement by February 26, 2010. (Document 15.) Defendants request an adjournment of the scheduled deadline and next conference. Defendants' request is granted in part, and denied in part. The parties need not make the initial disclosures detailed in the Court's January 19, 2010 Order, but the March 3, 2010 conference shall proceed as scheduled unless the parties file their stipulation of settlement by February 26, 2010. If the stipulation is filed by the parties, the Court will cancel the conference.

SO ORDERED.
